**Re: PNTD-D-20-01355R2**

Dear PLOS NTD editorial staff,

I am writing to confirm that photos taken during the randomised controlled trial included in the manuscript were taken by People in Need (PIN) with an authorisation form which follows PIN's media policy. Forms were signed by participants in the photos which gave consent to the processing of personal data.

On behalf of PIN, I grant PNTD permission to publish these photos under a CC-BY license.

If you need further information, contact me on [sophiebudge@yahoo.co.uk](mailto:sophiebudge@yahoo.co.uk), or otherwise please contact Melikte Tadesse, PIN Communication Manager at [melikte.tadesse@peopleinneed.cz](mailto:melikte.tadesse@peopleinneed.cz).

Kind regards,

Dr Sophie Budge
